The Pickle Barrel first opened its doors in 1979 on Forsythe Avenue. It soon out grew that location and moved to its current location on Avenue of America. It was opened by Stu and Linda Brashner; and in 2003 was bought by Bryan and Lissy Babb. We are excited to bring you a second location on Cypress Street in West Monroe.

The concept is based on an authentic New York style deli with a humorous and casual atmosphere.

The Pickle Barrel is not only known for it's great sandwiches but it also offers 100 different bottled beers of the world. In Monroe location we have about 100 different hot sauces.

The Pickel Barrel is a great place for a business lunch or entertaining friends and family!
